

### Safe Routes to School Program - 2nd Cycle

No.	CT Dist.	Agency	County	School Name(s)	Location of Project	Description of Work	Total Project Cost	Federal Funds
1	1	City of Arcata	Humboldt	Bloomfield and Sunset Elementary Schools, Sunny Brae Middle School, Arcata High School, and Pacific Union School	In the vicinity of the schools	Construct sidewalks and pedestrian refuges	\$329,450	\$296,505
2	1	County of Humboldt	Humboldt	Morris School and McKinleyville Middle School	In the vicinity of the schools	Construct sidewalks; Install crosswalks, flashing warning signs and crossing signs	\$386,500	\$347,850
3	2	City of Anderson	Shasta	Anderson High School - Main and North Campus, Anderson Middle School and Anderson Heights Elementary School.	South St. from the westerly City limits to Emily Dr.	Add 6-foot of paving; Construct curb and gutter with a 10-foot paved pedestrian/bike path	\$407,000	\$366,300
4	2	City of Red Bluff	Tehama	Jackson Heights Elementary School	Jackson St. between Aloha and Ash Streets	Construct curb, gutter and sidewalk including ramps; Install traffic signs, stripes, pavement markings; Improve pick-up/drop-off areas	\$259,127	\$233,214
5	3	City of Wheatland	Yuba	Wheatland High School, Wheatland Elementary School, Bear River School, A.C.E. Charter School, Virginia School and Wheatland High Continuation School	SR 65 between 3rd St. and Olive St. and various other city streets	Install signal at SR 65 and 1st St.; Construct curb, gutter and sidewalk on various city streets	\$500,000	\$450,000
6	3	County of Sacramento	Sacramento	Del Paso Manor Elementary School	Various streets surrounding the school area	Construct sidewalks and install street lighting on various streets surrounding school	\$297,100	\$267,390
7	3	City of Sacramento	Sacramento	Smythe and Noralto Elementary Schools	El Camino at Northview and Norwood at Las Palmas Ave.	Install traffic signals; Construct raised crosswalk and widen sidewalks in front of schools	\$500,000	\$450,000
8	3	City of Citrus Heights	Sacramento	Holy Family	Old Auburn Blvd.	Widen shoulders; Construct curb, gutter and sidewalk; Install pavement markings	\$99,330	\$89,397
9	3	City of Woodland	Yolo	Dingle, Prairie, Tofoya and Zamora Elementary Schools	Cross St. and Elm, Matmor, E. Gum and Walker, W. El Dorado and Edwin	Construct traffic calming bulb-outs; Install lighted crosswalks	\$240,000	\$216,000
10	4	County of Solano	Solano	Benjamin Franklin Middle School	Lemon St. between Thomas Ave. and Curtola Pkwy.	Construct curb, gutter, sidewalks and curb ramps	\$66,000	\$59,400
11	4	County of Santa Clara	Santa Clara	Loyola Elementary School	On Magdalena between SR 280 and Foothill Expressway.	Construct sidewalks, bike lanes, and crosswalks. Modify median and improve drainage	\$500,000	\$450,000

### Safe Routes to School Program - 2nd Cycle

No.	CT Dist.	Agency	County	School Name(s)	Location of Project	Description of Work	Total Project Cost	Federal Funds
12	4	City of Santa Rosa	Sonoma	Hidden Valley Satellite School, Hidden Valley School, Lincoln School, J.X. Wilson School, Rincon Valley Middle School, Rincon Valley Christian School, Binkley School and Maria Carrillo High School	In the vicinity of the schools	Construct pedestrian pathways	\$469,000	\$422,100
13	4	City of Walnut Creek	Contra Costa	Walnut Creek Intermediate School	On Walnut Blvd. between Ygnacio Valley Rd. and Homestead Ave.	Construct sidewalk; Widen street	\$498,000	\$348,000
14	4	City of San Francisco	San Francisco	Horace Mann Academic Middle School	On Valencia St. and Bartlett St. between 23rd and 24th St.	Construct sidewalk bulb-outs; Install traffic signals and pavement markings	\$493,400	\$444,060
15	4	City of Benicia	Solano	Robert Semple Elementary School	Hillcrest Ave. between East Second and East Fifth St.; all of Linda Vista and Vista Grande Ave.	Construct sidewalks and curb ramps; Install crosswalk pavement markings and traffic signs	\$160,000	\$144,000
16	4	City of San Jose	Santa Clara	San Antonio, Rogers, Meyer, Los Alamitos, De Vargas, Bagby and Terrel Elementary Schools; Sierramont, Pala and Ocala Middle Schools; Boeger and Price Jr. High Schools	In the vicinity of the schools	Install "School Radar Speed Display Signs"	\$142,000	\$127,800
17	4	City of Campbell	Santa Clara	Westmont High School	Westmont Ave. between San Tomas Aquino Rd. and west city limits	Construct curb, gutter and sidewalk; Install traffic signal, signs, bike lanes and pavement markings	\$500,000	\$450,000
18	4	City of Albany	Alameda	Cornell and Oceanview Elementary Schools, Albany Middle School and Albany High School	In the vicinity of the schools	Construct curb, gutter and sidewalk	\$46,500	\$41,850
19	4	City of San Francisco	San Francisco	George Peabody Elementary School	6th Ave. and Clement St.; 7th Ave. and Clement St.; 6th Ave. and California St.; 7th Ave. and California St.	Construct sidewalk bulb-outs and bus bulb-outs; Install traffic signals and pavement markings	\$476,000	\$428,400
20	4	City of Mill Valley	Marin	Edna Maguire Elementary School and Mill Valley Middle School	Camino Alto from Sycamore Ave. to 180 Camino Alto; Blithedale and Lomita Ave.	Construct multi-use path; Modify curb ramps	\$381,040	\$342,936
21	4	County of Alameda	Alameda	Creekside Middle School	At 19700 block of Center St.	Construct curb, gutter and sidewalks; Install pedestrian activated signal	\$388,000	\$349,200
22	4	City of Oakland	Alameda	Twelve Elementary Schools and two Middle Schools in the Oakland Unified School District	In the vicinity of the schools	Install traffic signals; Construct pedestrian bulb-outs	\$499,470	\$449,523
23	4	City of Vacaville	Solano	Eugene Padan Elementary School	Along Davis St., Alonzo Rd. and Marshall Rd.	Construct curb, gutter and sidewalk	\$211,828	\$190,645

### Safe Routes to School Program - 2nd Cycle

No.	CT Dist.	Agency	County	School Name(s)	Location of Project	Description of Work	Total Project Cost	Federal Funds
24	4	City of Richmond	Contra Costa	Coronado, King, Nystrom, Peres, Stege, Valley View, Wilson and Ford Elementary Schools	In the vicinity of the schools	Install lighted crosswalk	\$203,000	\$182,700
25	4	City of San Jose	Santa Clara	Alex Anderson, Almaden, Kennedy, Lietz, Luther Burbank, Cesar Chavez and Cherrywood Elementary Schools; Dartmouth, Leyva and Miller Middle Schools; Roulleau Handicapped Learning Center; Mathson Jr. High School	In the vicinity of the schools	Install lighted crosswalk in 10 locations	\$500,000	\$450,000
26	4	City of San Mateo	San Mateo	Bayside and Sunnybrae Schools	S. Delaware/10th/Birch St.; Van Buren and Kehoe St.	Install "Driver Feedback Speed Signs"	\$40,500	\$36,450
27	4	City of Fremont	Alameda	Azevada, Chadbourne, Harvey Green, Leitch, Millard, Mission Valley, Parkmont, Patterson, Warm Springs and Warwick Elementary Schools	In the vicinity of the schools	Install speed bumps for 10 Elementary school frontages	\$112,805	\$101,524
28	5	City of Santa Cruz	Santa Cruz	Bay View Elementary School and University of California - Santa Cruz	Bay St. between Mission St. and California St.	Reconstruct pavement; Install signs, striping and markings	\$290,000	\$261,000
29	5	City of Salinas	Monterey	Alisal Community School and Alisal High School	Williams Rd. and Del Monte Ave.	Construct safe passenger pick up/ drop off facility; Widen sidewalk; Install new curb, gutter, access ramps	\$245,800	\$221,220
30	5	County of Santa Barbara	Santa Barbara	Patterson School, Nightingale School, Benjamin Foxen School, May Grisham School, Santa Ynez Valley Christian Academy and Orcutt Jr. High School	Unincorporated "North County" that includes Santa Maria, Santa Ynez and Lompoc Valleys.	Install flashing beacons; Restripe crosswalks and pavement markings; Construct sidewalks	\$498,118	\$448,306
31	6	City of Fresno	Fresno	Jefferson Elementary School	Mariposa Ave. between Divisadero and Belmont Avenues	Construct curb, gutter and sidewalks	\$61,600	\$55,440
32	6	City of Avenal	Kings	Avenal Elementary School, Avenal Middle School, Avenal High School and Reef Sunset Adult School	Skyline Blvd. (SR 269) and 7th Ave.	Install a traffic signal at SR 269 and 7th Street. Install additional and replace existing bike lanes; Install pavement markings and traffic signs; Install bike lockers	\$267,000	\$240,300
33	6	City of Fresno	Fresno	Homan Elementary School	Clinton Ave. at Crystal Ave.	Install flashing beacons at school route intersection	\$35,000	\$31,500
34	6	City of Reedley	Fresno	Reedley High School; Lincoln and Washington Elementary Schools	S/S Manning Ave. between Reed Ave. and Acacia Ave.	Install curb ramps in several areas adjacent to schools	\$82,200	\$73,980

## Safe Routes to School Program - 2nd Cycle

No.	CT Dist.	Agency	County	School Name(s)	Location of Project	Description of Work	Total Project Cost	Federal Funds
35	6	County of Kern	Kern	Marsha Voorhees School, Pioneer Drive School, Sierra Jr. High School, Stiern Middle School, Ramon Garza School, Foothill High School, and Ruggerberg Career Center	Pioneer Dr. between Oswell St. and Morning Dr.	Construct curb, gutter, sidewalk and curb ramps	\$500,000	\$450,000
36	6	City of Bakersfield	Kern	Fremont Elementary School and Sequoia Middle School	In the vicinity of the schools	Construction of curb, gutter, and sidewalks	\$209,215	\$188,294
37	6	City of Wasco	Kern	Wasco and Independence High Schools; John L. Prueitt School, Karl Clemens School, Palm Avenue School and Thomas Jefferson Middle School	SR 46 at Griffith Ave.	Install traffic signal at the intersection	\$221,100	\$198,990
38	6	City of Fresno	Fresno	Muir Elementary School	Palm at Dennett	Install flashing beacons at school route intersection	\$35,000	\$31,500
39	7	City of Malibu	Los Angeles	Juan Cabrillo Elementary School, Malibu High School and Malibu Methodist Nursery School	Morning View Dr. from Seastar Dr. to Via Cabrillo	Construct pedestrian pathway; Install signs	\$311,300	\$280,170
40	7	City of Norwalk	Los Angeles	Lakeland, Paddison, Chavez, Corvallis, Dolland, Edmundson, Glazier, Hargitt, Huerta, Johnston, Lampton, Los Alisos, Moffitt, Morrison, New River, Nuffer, Sanchez, Waite, Baptist Christian, Grace Christian, Nazarene Christian, Norwalk Brethren, St. John of God, and St. Linus Schools	In the vicinity of the schools	Construct sidewalks	\$500,000	\$450,000
